

YOUR MOVING DAY CHECKLIST

The ultimate list for South Africans moving homes.

BEFORE MOVING IN

- Check all switches are **working**
- Ensure all your appliances **fit**
- Ask for a copy of **warranties** for appliances
- Understand how all appliances/gadgets **work**
- See if there's **keys** for every door
- Get all the security **codes**
- Enquire about the **alarm**
- Check the **aerial**
- Ask about access to **gas** + the **compliance** certificate
- See which **loadshedding grid** it's on
- Find out the *where, how and when* related to **communal bins**
- Join local **community WhatsApp** groups
- Name & number for the **ward councillor**
- Pre-book **installation** providers
- Get moving **insurance**
- Open a new **municipal account**
- Transfer and cancel **service providers**
- Update your **address** with important contacts

THE DAY OF MOVING

- Move in once the seller has **moved out**
- Use a **reputable** moving company
- Moving mid-month is **cheaper** than end-month
- Move valuables **yourself** & have a safe storage location at the new home
- Have cash to **tip** the moving company
- Pack a bag of **essential** items for the first night
- Have a basic **toolkit** on hand
